

*Mary's Monster:*  
*Love, Madness, and how Mary Shelley Created*  
**FRANKENSTEIN.**

A talk by author Lita Judge presented by the Keats-Shelley Association of America. May 16th, 3PM EDT/12PM PDT.

She conceived me.  
I took shape like an infant,  
not in her body, but in her heart,  
growing from her imagination  
till I was bold enough to climb out of the page  
and into your mind.

The Keats-Shelley Association of America is delighted to host a talk by author and illustrator **Lita Judge, 2024 winner of our Arts & Public Engagement Award** honoring artists, teachers, and practitioners in the humanities.
